CLOSED ALL DAY SATURDAY & SUNDAY

**Capabilities:** Our VTF offers the following services:

- Outpatient Care and Vaccinations.
- Lab Services: These are provided as deemed necessary for the diagnosis of diseases (parvo for dogs, feline leukemia test for cats etc.) or recommended routinely with annual checkups (heartworm, fecals etc).
- Surgical Care: The following surgeries are performed on a time-available basis: female spays, male neuters, cat declaws, dental procedures, and a variety of other surgeries.
- Over-the-Counter Products: Various products such as flea products, heartworm preventative, shampoos, pet vitamins etc. are sold over the counter during working hours.

**Access:** Sick Calls and vaccinations are seen by appointment only. Appointments are made by calling a week prior, Monday through Friday. Elective surgeries are performed on a time available basis, call one week in advance to set up the appointment.

**Referrals:** If the medical care is beyond the veterinarians capabilities the patients are referred to host nation veterinary clinics.

**Emergency Care:** During working hours, emergency walk-in patients are seen at the discretion of the veterinarian and in accordance with existing priorities. Local veterinary clinics are the main source of emergency care. A list of host nation veterinarians and a translation sheet is available at the veterinary clinic.

*Be a responsible owner. Don't abandon your pet. Please register your pet at our veterinary clinic.*
